Gross Case Weight (kg): 8.4

Cases per Layer: 4
Layers per Pallet: 3
Cases per Pallet: 12
Case Cube m3: 0.09514
Code: HFR-P240

Product traceability is by virtue of the unique works order and case numbers which are printed on the case label. Fibreboard cases should be stored undercover in clean dry conditions. Extremes of temperature should be avoided. Free standing pallets should be stored no more than two pallets high, where the upper pallet does not exceed the weight of the lower pallet.

Customers are advised to contact the Customer Services Department to confirm that this is the current specification for the described product (quote Revision No).
